LEADERSHIP: (THINGS TO CONSIDER)

- You are at your highest level when you stand on the shoulders of those who came before you
- Leadership requires a Vision for the future (Proverbs 29:18)
- A great leader is not the one who knows the most or does the most, but who GETS the most out of those around them
- Leadership is the ability to get people to Love what you represent, even when they don’t Like what you want them to do
- A leader is one who knows the way, shows the way and goes the way (John Maxwell)
- If your actions **inspire others to:** dream more, learn more, do more and become more, you are a leader” (Pres. John Quincy Adams)
