

# CHICAGO CARES

## SERVE-A-THON

**Join Us!!**

**June 23, 2018**

### **Many communities, one Chicago**

On June 23<sup>rd</sup>, **5,000 volunteers** will make an impact at upwards of **30 locations** across Chicago: breathing new life into public spaces, cooking and serving meals, and more. Chicago Cares' Serve-a-thon is the city's largest day of service.

Here at CDK, we realize ***the value in volunteering*** – that's why, for nearly a decade, CDK has partnered with Chicago Cares to make an impact on schools and parks in every corner of Chicago.
