worshipped God through their praise by saying “Holy, holy, holy, is the Lord God Almighty”. Their worship was not an emotional response to the goodness and greatness of God. It was an action based on the mental knowledge of who God is and what God has done for all his creation.

People who come TO Worship:

- Pray & meditate before leaving home
- Get to church early
- Sit in close proximity to the altar where the presence of God resides
- Bring their bibles
- Are not counting heads during the service
- Are like ‘flames’ that are on fire for the Lord

Remember that Sunday January 28th is our Annual Usher Anniversary. Come and Praise and Worship the Lord with us in support of this wonderful auxiliary.
