'To Bestow a Blessing'-  
Numbers 6:22-27

God is the source of all that is good and perfect and he alone bestows all true blessings. With the exception of his glory, God has shown a willingness to share with us everything he has including his world, his Word and his Son, our Lord Jesus. He also sees fit to share his blessings.

Sometimes we take for granted some of the many small ways God blesses us. To

bestowed to you? If you had 1,000 tongues or fingers you could not tell or speak them all. But you can and should testify to anyone who will listen that you have been blessed.

It pleases God to bless you even more than it pleases him to have you bless him. We get the benefits while God gets all the glory. When you are in a position to give to the poor, feed the hungry or clothe the homeless, understand you are helping them, but God is blessing them.

### Key Sermonic Points:

1. *Protection is a blessing from God*
2. *Grace is a blessing from God*
3. *Peace is a blessing from God*

borrow from the band Police featuring Sting, "every breath you take and every step you make" is a blessing.

God often uses ordinary people, like you and I to extend his blessings to others. As Christians, we must recognize that God blesses us in order that we can turn around and bless others. We should start by blessing those in our homes and families. To be ministers in the world, we must first be ministers in our homes.

Have you considered how many blessings God has

'Praise God from whom all blessings flow'. Thank him for giving you protection, grace and peace. I pray that God will continue to bless, keep and comfort you.
